**RE: Dr. Wassim Naguib**

To whom it may concern,

It has been a pleasure to work with Dr. Wassim Naguib recently on a classroom and social hall project for St Mary and St John Coptic Orthodox Church, in Pleasanton, California. This letter is to acknowledge the professional consultant services conducted by Dr. Wassim Naguib, S.E. of **WIN STRUCTURAL CONSULTING GRP, Inc.** regarding his firm's structural design services.

Dr. Naguib of WIN STRUCTURAL CONSULTING GRP, Inc. has shown professionalism and extreme knowledge of structural engineering design principles, building codes, construction practices, and meeting deadlines while working with us at **DAHLIN GROUP ARCHITECTURE PLANNING**. In addition, WIN and Dr. Naguib as principal-in charge has participated in the development of contract documents - including AutoCAD 3-D simulation drawings, coordination with other consultants, and timely response to city plan check comments.

Dr. Wassim Naguib, S.E. continues to assisting us on other projects and it is our pleasure to recommend him for other structural design projects due to WIN Structural capabilities, knowledge and professionalism.

Sincerely,

A handwritten signature in red ink, appearing to read "Marsha Hanson Day". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Marsha Hanson Day  
Associate, Senior Architect
